

How the FAA pilot special medical issuance works.

It's important to keep pilots flying and better informed on the medical process.

Directions: Exit I-275 at Ann Arbor Road. Turn West and go to Lilley Road (approximately 1 mile). Turn South and go to the main airport entrance road (about 1/2 mile) and turn left into the entrance. The first building on the right is the EAA building. Overflow parking is available next to the parking lot.
